**Outreach Committee Chair Report**

---

Chair Brown and Commissioners,

The Outreach Committee met on July 23, 2015. Commissioners Cerrillo, Westphal, and Singleton were present, as well as Director Browne.

Chair Singleton shared a list of upcoming community events hosted by 311, at which PCOC members are invited to attend. See Appendix A.

Commissioner Cerrillo spoke with an organizer of Open Streets, and indicated that the PCOC was welcome to attend with a booth.

Commissioner Westphal is exploring having events at the University of Minnesota campus and will be reaching out to student activities. Commissioner Westphal is also compiling a list of social studies and history teachers to reach out to.

The Committee continues to monitor the research and study on body camera policy, and committee members have been working to develop a model policy and recommendations.

Sincerely,

/s/ Jennifer L. Singleton
